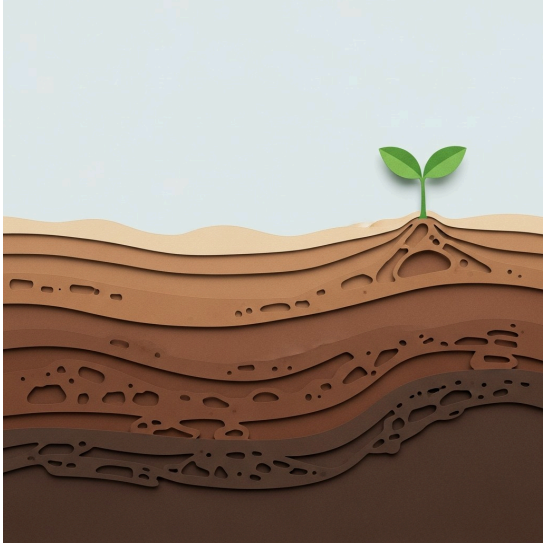
# Creating an Aromatherapy Forest Bathing Experience

## Materials and Ingredients

- Essential oils selected from the elemental blend options shared in “Step 1”
- Vessels for blending oils (see the recommended equipment list in the appendix)
- A standard aromatherapy diffuser
- A journal or notebook for writing observations

# Step 1: Select Your Elemental Forest Bathing Blend

Choose one of the elemental constitution essential oil blends below. You may choose the blend that reflects your own constitution or the one that best matches your current stress pattern.

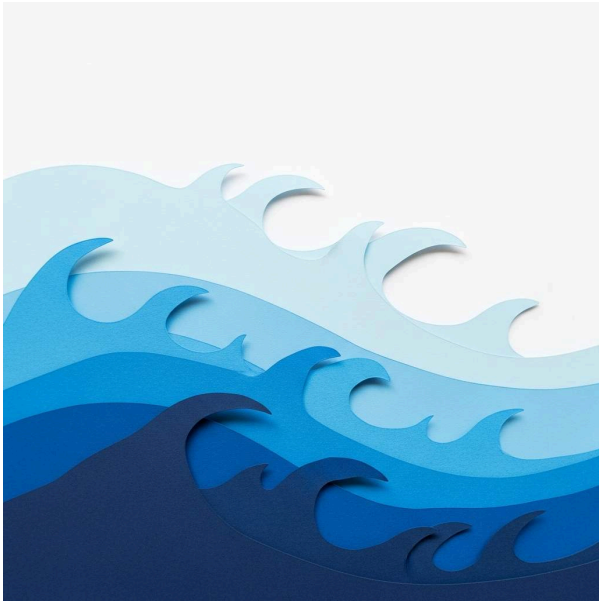


Earth Constitution – "Uplifting Forest Canopy Blend"

- 4 drops fir needle *Abies balsamea* essential oil
- 3 drops lemon *Citrus limon* essential oil
- 2 drops grapefruit *Citrus paradisi* essential oil
- 1 drop rosemary *Rosmarinus officinalis* essential oil

Air Constitution – "Grounding Forest Bath Blend"

- 4 drops vetiver *Vetiveria zizanioides* essential oil
- 3 drops cedarwood *Cedrus atlantica* essential oil
- 2 drops cypress *Cupressus sempervirens* essential oil
- 1 drop bergamot *Citrus bergamia* essential oil



Water Constitution – “Deep Woods Grounding Blend”

- 4 drops frankincense *Boswellia carterii* essential oil
- 3 drops balsam fir *Abies balsamea* essential oil
- 2 drops white spruce *Picea glauca* (or Virginian cedarwood) essential oil
- 1 drop rose *Rosa damascena* essential oil

Fire Constitution – “Cooling Forest Shade Blend”

- 3 drops hinoki *Chamaecyparis obtusa* (or cypress) essential oil
- 3 drops pine Pinus sylvestris essential oil
- 2 drops eucalyptus *Eucalyptus globulus* essential oil
- 2 drops Roman chamomile *Chamaemelum nobile* essential oil

## Step 2: Prepare Your Diffuser Blend

- Add water to the fill line of a 200–300 mL diffuser.
- Add your selected 10-drop elemental blend.
- Place your diffuser 2–3 feet away from you.
- Ensure you are in a quiet, comfortable, well-ventilated space.
- Diffuse for 10-20 minutes.

## Step 3: Complete the Guided Meditation

Locate the meditation that corresponds with your selected blend:

- Earth: Light Through the Forest Canopy
- Air: Settling the Winds of the Mind
- Fire: Cooling the Inner Flame
- Water: Deep Woods Sanctuary

Read the meditation slowly, or play an audio-recorded version if you prefer. Allow yourself at least 5–8 minutes to sit quietly and experience the aroma, imagery, and emotional shifts.

## Step 4: Observe Your Experience

As you diffuse the blend and complete your meditation, notice:

- Physiological sensations
- Emotional or psychological responses
- Sensory impressions
- Changes in stress patterns
- Feel free to jot down notes as you go.
